

***** NOTICE TO ALL INSTRUCTOR CANDIDATES*****

As of March 25th 2011, the following changes were implemented by the training committee.

As an Instructor for TARS you are required to teach at least one class every two years after becoming an instructor in each area that you are certified to teach in. Any instructor that does not teach a class within this two year window will be dismissed as an instructor from TARS. As an instructor you are required to attend re-certification class every two years.

Any instructor that misses their re-certification class may attend the next year's class upon paying a \$100 re-instatement fee, pay the appropriate re-certification fee and will be required to attend and pay the appropriate fees at the next year's re-certification class. This will get you up to date with your certification and then you will be attending in the correct manner with the date you were certified.
