

## **Rope Rescue Training 2018** **Mountain Rope Safety Courses**

All classes held at the Signal Mountain site **include Lodging**. Personnel will have bunk bed with sheets, pillows, towels for shower, full kitchen, living room area, WFI, and a TV. Handouts or manuals provided as well as all gear used during the rope rescue class. There is a laundromat at the foot of Signal Mountain for those wishing to wash cloths.

**Personnel Must Bring:** **Tight fitting pair of gloves (Leather or Deer type)**, Helmet Light, Extra Batteries, food and water for field class times in backcountry. **Eye Protection and Knee Pads** and **Boots** to protect personnel ankles. Also if attending Operational Rope Rescue personnel will need an **ATV or Mountain Bike** of some kind, in order to get to one of the sites or be willing to walk 3 miles into the backcountry & 3 miles out. Please bring a **rain suite and weather appropriate clothing!** Please bring your **personal toiletries**. If you have an appropriate helmet and harness you may bring that and it will be checked by an instructor before allowed for class evolutions. **Must have vehicle**, in order to drive to different site trail heads (**ride sharing strongly suggested**). **Bug Repellant & Poison Ivy Soap**, should personnel need it in the back country. It is strongly suggested that personnel attending rope rescue classes purchase and bring **Vitalyte for an electrolyte replacement drink** (Can be purchased off Amazon or R.E.I.).

**Provided for Personnel:** Certificate of completion from Progressive Rescue Solutions, Inc. & Tennessee Association of Rescue Squads, with 1.0 CEU upon passing the course. They will be mailed to personnel within 6 weeks. All classes meet or exceed NFPA standards 1006 & 1670 for Awareness, Operations or Technician. This is dependent on which class you attend. Each student will be provided a manual or handout, Prusik Cord and pen to keep. Personnel will be given a written exam at the end of the course. A letter of confirmation will be emailed to personnel when registration and payment is received for classes.

**All students must be prepared for strenuous work and lots of knowledge applied in a short time! Evenings are for rest and study. Usually students get together and go out for dinner one or two nights. There is a grill on site.** There are a few fast food restaurants on the mountain as well as enjoyable full service restaurants. Some like to go to Chattanooga, which is only 10 miles away, off the mountain.

**Prerequisites:** None for Low Angle Rope Rescue, Rescue Rappelling or Operational Rope Rescue. Must have had Operational Rope Rescue in past Two Years in order to attend:  
Technician Rope Rescue, Confined Space Rescue Technician, Tower/Antenna Rescue

### **The Weekend Classes:**

Begin Friday Afternoon @ **3PM-9PM** then Saturday-Sunday **7AM-6PM** each day.

### **The Monday-Friday Operational Rope Rescue Classes:**
